BCAHA will present all retiring Executive Board Members with a pin.

5.14.4 MEMBER AUXILIARY RECOGNITION

BCAHA recognizes important anniversaries for member auxiliaries, i.e. 25,50,75,100 years, etc. but does not honor individual auxiliary members as it is incumbent upon their home auxiliary to celebrate years of service of individual members. Member Auxiliaries may be encouraged to contribute to the BCAHA Bursary Fund as recognition of Auxiliary or individual member milestone anniversaries.

Area Directors maintain a master list of Auxiliaries in their Area and the date each Auxiliary was established. The list should be reviewed annually in January by the Area Director who advises the BCAHA Secretary no later than March 31st to facilitate the preparation of a Certificate of Service for presentation at the AGM.

5.16 Policy for Members Relocating

1. It is recommended that any member wishing to carry their years of service forward, when transferring to another BCAHA Auxiliary, should fill out the form available on BCAHA website as transfer of Auxiliary, stating the total number of years of service to the date of transfer. The receiving Auxiliary then may register full credit for years of service.
2. To maintain continuity of service this letter must be presented to the receiving Auxiliary within the calendar year from date of issuance.
3. The final decision regarding the eligibility criteria for recognition awards and years of service is ultimately up to the individual Auxiliary.
4. It was moved to accept the policy and each Auxiliary is responsible to make their own decisions on this as each one has their Bylaws. BCAHA cannot make decisions for any Auxiliary.
